Service Note

The subway map depicts weekday service. Service differs by time of day and is sometimes affected by construction. Overhead directional signs on platforms show weekend, evening, and late night service. This information is also available on mta.info; click on "Maps" in the top menu bar, then select "Individual Subway Line Maps."

For construction-related service changes, click on "Planned Service Changes" in the top menu bar. This information is also at station entrances and on platform columns of affected lines.
